

Engage with US *in semester 2, 2018-19*

We can help you to meet students and graduates from across the University.

Introduce your organisation and raise your profile on campus

Career Insights Day	This information giving event will bring together representatives from a range of industry areas to inform students about different occupations and the skills they require, helping them to recognise potential career options based on their discipline. There is no requirement for your organisation to be actively recruiting.	28 March 2019
----------------------------	---	---------------

Pop-up Employer	Bring a pop-up banner stand and promotional materials onto campus and meet informally with students in high footfall areas, including the Students' Union!	Various dates available
------------------------	--	-------------------------

Get to know our students

Employer Appointments	Meet students for a brief face-to-face discussion, either with a scheduled appointment or on an informal drop-in basis.	Various dates available
------------------------------	---	-------------------------

Give students a real-world perspective

Career Workshops	<p>Co-deliver a themed workshop with a member of the Careers Service; includes the opportunity to introduce your organisation, provide valuable input from an employer perspective, and talent-spot.</p> <p>Workshops include:</p> <ul style="list-style-type: none"> • Preparing for Assessment Centres - 7 February 2019, 3pm-6pm • Developing your CV - 18 February 2019, 11am-2pm and 1 April 2019, 3pm-6pm • Developing your Applications and Statements - 21 February 2019, 4 April 2019 and 2 May 2019, 3pm-6pm • Networking for the Nervous - 8 March 2019, 11am-2pm • Developing your Interview Technique - 14 March 2019, 3pm-6pm 	
-------------------------	---	--

Mock Assessment Centre	Take part in our Mock Assessment Centre; an evening of intensive activities with employer-led tasks and facilitators. A great opportunity for students to gain valuable experience and for organisations to put our students to the test!	4 March 2019
-------------------------------	---	--------------

Mock Interviews	Help students to prepare for the real thing by hosting mock interviews.	Various dates available
------------------------	---	-------------------------

Select and recruit

Interview Rooms	We can provide dedicated staff and facilities to help you conduct formal interviews on campus, or if you would prefer to conduct interviews by telephone then we can arrange this for you.	Various dates available
------------------------	--	-------------------------

Target your approach

In addition to our central programme of events we work closely with University Faculties and can help you to engage with students in specific departments and/or years of study.

Faculty of Medicine, Dentistry & Health

Event	Details	Date(s)
Medical School Careers Event	The Medical School's annual careers event aims to provide current Sheffield Medical Students with support, advice and guidance on all aspects of career planning. Representatives from clinical and academic career pathways, including specialty-specific areas are invited, in addition to representatives from local employers, British Medical Association and University departments. 1:1 careers advice sessions are also available for students to pre-book, in ten min slots. The event is open to all MBChB Sheffield students (c. 1250)	26 February 2019
MBChB Career Talks	In January 2018 the Medical School introduced weekly careers talks via Adobe connect. These allow students to attend remotely and all sessions are recorded and published on the medical student VLE, Minerva. A different subject area is covered each week.	Various dates available

Target your approach

In addition to our central programme of events we work closely with University Faculties and can help you to engage with students in specific departments and/or years of study.

Faculty of Social Sciences

<i>Event</i>	<i>Details</i>	<i>Date(s)</i>
Student Research Festival	This annual event gives students the chance to find out more about the research process and network with students from other disciplines as well as industry experts. This event is organised jointly with the Faculty of Arts and Humanities. It includes an occupational event, Careers in Humanities and Social Research - 6 March 2019.	4-7 March 2019
Law	Deliver a guest lecture, seminar or workshop for the Department's Employability and Skills Initiative (E&SI), which helps students to build the employability skills that you value.	Various dates
Management School	Opportunities to engage with our students and graduates include hosting a student project, providing an internship, meeting students on campus by delivering a guest lecture, and recruiting our talented alumni into your organisation.	Various dates
Education	Take part in a lunchtime networking event and promote the opportunities that you have available to an audience of NQTs.	29 May 2019
Urban Studies and Planning	Attend our annual Natural and Built Environment Fair aimed at students from across the department, including Urban Design.	27 March 2019
Architecture	The Sheffield School of Architecture Summer Exhibition showcases the outstanding work undertaken by our students over the year. Employers are invited to attend a preview event providing you with the opportunity to meet graduating students from our degree (RIBA Part 1) and MArch (RIBA Part 2) courses.	14 June 2019
Landscape	Discover the newest talent in Landscape Architecture emerging from Sheffield at our February Meet Employers event or summer Graduation Exhibition.	27 February 2019 and TBC Summer 2019

Faculty of Engineering

<i>Event</i>	<i>Details</i>	<i>Date(s)</i>
Global Engineering Challenge	We're looking for over 30 Engineering alumni working in industry to participate in our 8th Global Engineering Challenge. Alumni will give a short presentation about their career to a "hub" of students, work with inter-disciplinary student groups to develop their project and team working skills, and also participate in a "Boardroom" to feedback on student presentations. Help develop the next generation of Engineers, promote your company and contribute to your chartership.	23 January 2019
Engineering You're Hired	Alumni and industry contacts from any discipline with an understanding of engineering project design and implementation. Bringing your real-world expertise, students will be able to consult you about their projects in the morning, followed by informal discussions in the afternoon. The event will close with boardroom sessions in which students will present their project and, along with an academic and PhD Facilitator, you will provide feedback.	30 January 2019
Engineering SME Placement Event	Meet with students looking to undertake a summer or year-long placement with an engineering SME.	6 February 2019
Bioengineering Networking Event	Networking event with regional bioengineering and medical technology companies	3 April 2019
